

Bishop Wordsworth's School

PRIZE GIVING

Guest of Honour

DARRYL CHERRETT

Thursday 23 September 2021

3.00pm

Head Master's Introduction to BWS Prize Giving 2021

2020-2021 was always going to be a year of 'firsts', for good or ill. Much of this was pandemic-driven; the division of the school site into bubble spaces for learning and free time, a later start to the school day that allowed rush hour to be avoided and sleepy teenagers to lounge a little longer in bed, the regular online assemblies and services (including Prize Giving), and the habitually highly ventilated, distanced, masked nature of the classroom environment. Given the logistical and organisational challenges it is a miracle that we were able to run a school on something approaching full throttle, with subject teachers covering a full curriculum in most cases. Many learning activities still happened. Those that could not were practical in nature - in music, drama, science and sport, where prohibition was a fact of life. Daily life felt the same, but different, but most of it happened for most of the time. History will record that we had to send home some boys in the Middle School for a short period towards the end of the autumn term, and that the Sixth Form had an early start to the Christmas Holiday (both due to positive infection cases), but school was pretty normal for almost all of our students for most of the time.

There were other notable firsts. Year 12 was the biggest ever, partly due to the first group of girls at Bishop's for 93 years. Just over 40 started with us in September 2020 and they have made a cracking year of it, despite the circumstances. We have already established ourselves on the Tennis and Netball circuits, the Choir has a new dimension and we have just appointed the first co-educational team of prefects, including our first Head Girl since the 1920's. The demographic bulge caused by the expansion to 160 intake in Year 7 will, this September, have swept through to Year 11. In the past academic year Bishop's number on roll was at around 1050, its biggest-ever; by the time that you read this we will be close to 1200, which represents the upper ceiling of growth.

Given that expansion and the exciting phase that the school is now entering it is hardly surprising that we said farewell to very few staff at the end of the academic year. There were four teacher retirements; after many years leading and inspiring all things Spanish, Frances Matthews has stepped back for a well-earned rest, although I suspect that she will still be tempted back occasionally to try out her Basque phrases in a classroom! Also retiring after a long and distinguished stint leading the French Department and Exchange is Helen Gosse. Feng Tang leaves her post at the helm of mandarin Chinese after an outstandingly successful stint, and Lulu Ward leaves the English Department after working part-time as a team member for a number of years. Mark Birkett and Tara Ward-Jones leave English and Biology respectively for other challenges beyond teaching, and we also saw the end of an era as David Peerless, our redoubtable and indefatigable Company Secretary retired. He leaves behind a taught governance machine now steered by Barry Smith. Finally, Andrew Gough leaves the Chaplaincy for retirement after three years at Bishop's. I am hugely grateful to all my colleagues for their hard work and vision over the past 12 tricky months.

The eye of the storm is a somewhat hackneyed term, but there is an inescapable relevance both to the recent past and the present. The turbulence of the summer of 2020, the relative quiescence of the autumn and then the lockdown, testing and restrictions of the Spring/Summer of 2021 have a temporal symmetry. My hope is that though normality will be elusive we may be emerging into a quieter period, where we can focus more on learning and development of educational provision rather than crisis management and mastery of government inspired guidance. That would be good!

Dr S D Smallwood
Head Master, Bishop Wordsworth's School

Introduction from the Chair of Governors

The last academic year was always going to be a memorable one for Bishop Wordsworth's as the school welcomed girls back as pupils of the school for the first time since 1927. Despite the difficulties of the year, it certainly seems that the girls who arrived last September have settled in well and will continue to enjoy their time with us and enhance the life of the school as their cohort grows this year.

Social distancing, testing, lockdowns, online teaching and teacher assessed grades are just a few of the major challenges faced by both staff and pupils but we cannot forget that they have all had many adjustments to make on a daily basis. This makes the achievements of all the pupils even more noteworthy and deserved. We congratulate them all. We also thank them all for their contribution to the life of the school and wish those going on to start the next stage of their lives every good wish for their future happiness and success.

We owe an immense debt of gratitude to the headmaster and all the staff teaching and non-teaching for their efforts to provide the very best education and care for the pupils. Nothing would be possible without their hard work. We look forward to the next year and to everyone being able to enjoy again the broad curriculum and activities of which the school is so rightly proud.

Mrs Jane Ranaboldo
Chair of Governors, Bishop Wordsworth's School

Reflection from the School Chaplain

There is always a sense in which we embark into the unknown at the beginning of a school year. However, for most school years it is the details we are expecting to be unknown; the basic structure of the school day, week, term, and year are known. We know we will be playing rugby – we do not know the scores. We know we will be teaching towards our GCSE and A Levels – we do not know precisely which students will achieve which grades.

All these known unknowns were completely overtaken by Covid. During the year 2019-20 everything was thrown up in the air and we are still waiting to see what it looks like after everything has settled down again to the ... do we call it 'post pandemic normal', do we call it 'living with Covid normal'?

Last year the journey story I suggested we reflect on was that of the Jews taken into Babylonian Exile and leaving behind lots that had been destroyed. We could stay with that narrative and look at the return of the Exiles as a story to guide us through the coming year. The Jews who returned faced the rubble of their previous life which they had to rebuild.

As we embark on this return there will be plenty of rebuilding necessary. Approaching half the school will have little or no experience of pre-pandemic BWS. Many of the traditions and patterns of life that make Bishop's the great school that it is will have to be re-established. There will also be the opportunity to introduce and develop that which is completely new.

We know that as we embark on this journey through 2021-22 that we are working from a very strong position. We have over 100 years of coping with difficulties behind us. The Jews, stronger as a people for what they had learned in Exile, returned and rebuilt Jerusalem. We can be confident in the knowledge that we can draw on God's support and guidance as we take John Wordsworth's vision of top-quality education forward into the unknown of a Covid changed world.

Reverend Andrew Gough
Chaplain, Bishop Wordsworth's School

DARRYL CHERRETT

Darryl Cherrett has been a Barrister for 17 years. He practices in the field of criminal defence and specialises in cases involving serious organised criminal activity, including Murder, Firearms, Drugs, High Value Frauds and Money Laundering.

Darryl regularly appears in cases at the Old Bailey and the Criminal Court of Appeal and in cases that attract the attention of the press. He has also represented a number of celebrities over the years. He is respected as a formidable advocate who brings a common touch to often complicated legal and factual issues.

Darryl also lectures from time to time to Birmingham University Law Students on various topics within Criminal Justice and acts as a mentor for junior barristers and aspiring students.

Darryl grew up in Salisbury and attended Bishop Wordsworth's from 1989-1996. He studied law at the University of West London and thereafter at City University in London before being called to the Bar in 2004. Darryl has 3 children and lives with his partner Liz and their 2 dogs in Hertfordshire. Darryl is a keen darts player, golfer and avid Chelsea FC fan.

P R O G R A M M E

Welcome and opening prayer by the School Chaplain

Reverend Dr Stella Wood

Musical Interlude

Notturmo, Op. 133 (Salomon Jadassohn)

Jonas Stringer - Flute

accompanied by Tanay Vajramani on piano

Introduction by the Chair of Governors

Mrs Jane Ranaboldo

Musical Interlude

Passacaglia – The death of Falstaff, movement from the Suite from
Henry V (William Walton)

Year 12 String Ensemble – Directed by Mr Richard Parsons
Thomas James, Luke Liang, Joe Parker, Christian Tan - Violin
Montgomerie Clark, Max Day - Viola
Danny Curry, George Gande – Cello

The Head Master's Report

Dr Stuart Smallwood

Musical Interlude

Jesu, Joy of Man's Desiring (J S Bach)

The BWS Choir

accompanied by the BWS Chamber Orchestra
and Joshua Samuel on the organ

Guest of Honour's Address

Darryl Cherrett

Vote of thanks by the Head Boy and Head Girl to the Guest of Honour

Josh Oxley and Sophie Rawlinson

party leaves*

PRIZE LIST

OLD WORDSWORTHIAN'S ASSOCIATION PRIZE	Jake Kneale	Head Boy
OLD WORDSWORTHIAN'S ASSOCIATION PRIZE	Jack MacKenzie Joseph Essigman	Deputy Head Boy
OLD WORDSWORTHIAN'S ASSOCIATION PRIZE	Marcus Kimberley	Cathedral Prefect
BWSPA SIXTH FORM PRIZE	Abbie Phillimore	Economics
BWSPA SIXTH FORM PRIZE	Jolyon Chamberlain	English Literature
BWSPA SIXTH FORM PRIZE	Nathan Burn	Mathematics
BWSPA SIXTH FORM PRIZE	Sam Waters	Spanish
SIXTH FORM CARPENTER PRIZES	Jolyon Chamberlain Stefan Burnand	History History Essay
SIXTH FORM PRIZES	Jake Fellows	Year 12 Mathematics
	Mark Jones	Geography
	Finley Bond	Music
	Tom Tennett	Politics
SIXTH FORM SCIENCE PRIZES	Toby Justesen	Chemistry
	Oliver Lincoln	Geology
	Ned Allen	Physics
THE A LEVEL SCIENCES PRIZE	Oliver Hapke-Basquette	Endeavour in A Level Science
MULLINS LECTURE PRIZE	Joe Parker	History
THE NICHOLAS BRADISH PRIZE	Rory Lloyd-Jones	Medicine
THE TODD BURROWS PRIZE	George Gande	Endeavour in Science
THE DR ROGER SHERWOOD PRIZE	Sid Nayak	Bioscience
JARVIS YEAR 11 GCSE PRIZE	Benedict Binu	Science
JARVIS YEAR 11 GCSE PRIZE	Jude Murray	Mathematics
THE ART PRIZE	Max Harper	A Level Art
THE ART PRIZE	Samson Allen	GCSE Art
THE DALER-ROWNEY PRIZE	Ben Dennis	Lower School Art
THE RORY WALWORTH CUP	Alex Cole	Rugby
THE SAM BEATTIE MIDDLE SCHOOL PRIZE	Will Durrant	Sport
THE R GILLO PRIZE	Will Taverner	Athletics
THE R GILLO PRIZE	Tom Corfield	Sport
RUGBY AWARD	Sam Waters	Rugby
TEAM BWS VALUES PRIZE	Kate Clewer	Sport
THE ARTHUR BOWDEN RUGBY AWARD	Alex Branagan	For the most improved player

PRIZE LIST

THE MILLENNIUM PRIZE	James Crossley	Improvement
THE JAMES VAUGHAN PRIZE	Lewis Townsend	For an outstanding contribution to BWS
BWSPA COMMUNITY SERVICE AWARD	Kate Clewer	For a significant contribution to the community
THE WORT PRIZE	Tanay Vajramani	Music
THE FLYNN SIXTH FORM PRIZE	Tom Tennett	Good Manners
THE FLYNN YOUNG ENTERPRISE PRIZE	Aarya Belgee	Young Entrepreneur of the Year
THE PERSONAL COURAGE PRIZE	Clarke Jamieson	For overcoming adversity
THE ESU PRIZE	Ollie Randall	Debating
THE ESU PRIZE	Tanay Vajramani	Public Speaking
THE RORY WATERS PRIZE	Adam Curry	Singing
THE WYNDHAM PRIZE	Lucas Meaden	History
THE TOM SHEARER AWARD	Jolyon Chamberlain	Duke of Edinburgh Award
THE HAPPOLD PRIZE	Jonas Stringer	Performing Arts
THE ARTHUR MAIDMENT PRIZE	Paarth Chitnis	Community Service
THE AUSTIN UNDERWOOD PRIZE	Joshua Hopkins	Community Service
KS3 LANGUAGE PRIZE	Hari Chowdhury	German
KS3 LANGUAGE PRIZE	Lucas Meaden	Spanish
YEAR 11 GCSE PRIZE	Aron Abraham	German
YEAR 11 GCSE PRIZE	Callum Young	Spanish
YEAR 11 GCSE PRIZE	Thomas James	Latin
A LEVEL LANGUAGE PRIZE	Toby Justesen	German
THE ARTHUR BOWDEN PRIZE	Brendan Hau	Languages
THE SALISBURY SAINTES TWINNING ASSOCIATION PRIZES	Stefan Burnand Luke Liang	A Level French GCSE French
THE PAM ERRINGTON PRIZE	Callum Kidson	Religious Studies
THE DON STOBBS PRIZE (Sixth Form)	Ollie Randall	Discretionary Award
THE DAVID TOMLINSON PRIZE (Middle School)	Nikhil Shibu	Discretionary Award
THE LOWER SCHOOL PRIZE	Nicholas Plummer	Discretionary Award

The Lower School House Cup is presented to Robert Johnson on behalf of 8W.

The Sam Beattie House Cup is this year presented to Adam Cowlam on behalf of Martival House.

FORM PRIZES Years 7 to 11

(The first prize listed is for Achievement, the second for Endeavour)

11J	Reuben Cordina Dylan Powell	11M	Jude Murray Tom Duffield
11O	Callum Young Merlin Campbell	11P	Thomas James Oliver Badger
10J	Homam Khasreen Willoughby Dubois	10M	Edward Klein Thomas Wood

SENIOR PREFECTS AND PREFECTS 2021–2022

Head Boy and Head Girl	Josh Oxley and Sophie Rawlinson
Deputy Head Boy and Deputy Head Girl	Jasper Bates and Alice James
Cathedral and Close Prefects	Josh Samuel and Ella Steggel
House Captain – J House	Will Holtby
House Captain – M House	Adam Cowlam
House Captain – O House	Progress Rai
House Captain – P House	Oliver Bate
House Captain – W House	Tanay Vajramani
Senior Dining Hall Prefects	Isaac Taylor-Holland, Tejiri Ono-Sorhue, Ishwor Paudyal, Marni Lai, Chris Mattocks
Chair of all School Councils and Sixth Form	Kate Clewer
Chair of Lower School Council	Will Totman
Chair of Middle School Council	Callum Kealey
Logistics, Transition and Transport Prefect	Isobel Muchinenyika
Chair of Charity Committee	Harvey Gothard
Societies Prefects	Abbie Phillimore and Nathan Elliott
Wordsworth Editor	Oliver Key
Assembly Prefects	Ihsanur Rahman, Alice Crompton
Dining Hall Prefects	Mark Mackie, Joseph Westlake, Karl Callaway, Guanzhong Hu, Ryan Carthew, Bishal Rai, Harry Wainwright
Library Prefects	Joseph Fletcher, Mustafa Shakil, Zain House, Nathaniel Smith
House Prefects – J House	Seb Keyte, Tess Howarth-Jones, Toby Robbins, Lachy Dow, Rafaela Pereira, Will Budden, Ben Schofield
House Prefects – M House	Illinca Popovici, Jack Strange, Joshua Banham, Freddie Rouse, Perdita Barrett
House Prefects – O House	Martha Royle, Max Woodhouse, Jed McGrath, Hannah Moser, Paarth Chitnis, Greg Williams, Matt Butler
House Prefects – P House	Demetra Zerva, Harry McDevitt, Thomas Toze, Maya Doherty, Tom Durrant
House Prefects – W House	James Cook, Penelope Bunyan, Harriet Woodward, Stanley Bell, Patrick Fielder, Jonas Stringer, Georgia Clarke
Choir Prefects	Jacob Spence, Tiger-Lily Jonathan, Tabitha Mason, Jonas Stringer

Chapel Prefects	Sam Goddard, David Hyncica, Tabitha Mason, Josh Villanueva
Charity Prefect	Alfred Bayliss
DofE Prefects	Ben Schofield, Beren Wharton, Tom Durrant
Art Prefects	Alfie Arch, Max Glibbery
Drama Prefect	Erin Lauder
Economics Prefect	Sam Herbert
English Prefects	Phoebe Lambard, Nixie Parkes
French Prefects	Jamie Hopkins, Harry McDevitt
Geography Prefects	Beth Twentyman, Daniel Hinsley
Geology Prefect	James Whaley
German Prefects	Sam Herbert, Louis Smith
History Prefects	Tom Jowett, Max Balshaw
Maths Prefects	Elena Pinkney, Charlie Knight, Jake Fellows
Psychology Prefect	Ben Jones
Religious Studies Prefects	Jed McGrath, Will Harold
Science Prefects	Barnaby Knight, Charlotte Sutherland, Hannah Moser, Tom Toze, Paarth Chitnis, Demetra Zerva
Spanish Prefects	Josh Sharps, Jacob Maslen
Sport Prefect	Hazel Rudgyard
Music Prefects	Tiger-Lily Jonathan, Sheon Toms
Music Tech Prefect	Jacob Spence
Business Studies Prefect	Seb Keyte

THE FOLLOWING AWARDS HAVE BEEN PRESENTED DURING THE YEAR

DUKE OF EDINBURGH

Although the inevitable delays, postponements and cancellations have affected the programme for 2020-21, the students here at BWS have risen to the challenges and adapted to make the most of each of the three programmes we continue to offer. September saw a significant block of activity with expeditions running to catch up on all that was missed last summer, making the most of the beautiful countryside on our doorstep. Whether trekking through the Longford estate, along the byways or ridgeways on Cranborne Chase, the boys proved that sometimes you don't need to go too far afield to find an opportunity for an adventure. Re-evaluating our local area and being grateful for what we have here around Salisbury has been a really valuable message to us all during this time and though the recent qualifiers for Bronze and Silver did make it out to Marlborough and New Forest locations respectively, there are plans afoot to keep our practice expeditions on a more local level. Important, I feel, to evolve and take the best from all the enforced change that we have faced.

As ever, numbers at BWS are impressive with over 100 Bronze enrolments this year, with nearly 30 for Silver and the most exciting new cohort of nearly 40 Gold with a new look mixed Sixth Form. The future looks good and it is exciting to welcome a new team of staff who will have a lead on the process with Miss Danaher on Bronze and Mr Loughlin on Silver – my thanks go to both for their involvement and enthusiasm this year. Paul Webb and his team at H5 Adventure continue to lead our expeditions and without the expertise and foresight in planning we would not be in the position we are now, so I am also very grateful to him. Finally, the most crucial and less visible link in our team is Mrs Jones who looks after all the online processes and is ever-present at camps to ensure the boys get the most from the experience. The programme would not run without such support and we continue to benefit from the experience that Johnny Durrant brings to our expeditions as a parent volunteer, an example to all of us in commitment to our shared community.

Given the significance of this year with the passing of HRH The Duke of Edinburgh, I feel that a nod to our volunteer base who share the passion and belief that the Duke instilled in creating and evolving the award is apt and reflects the value that our students gain participating. Long may our numbers be high, roll on the new-look Gold programme and my congratulations to all of those who have completed their award this time around. (Mr J Oldham, Head of Outdoor Education)

Gold award: Jamie Barker, Archie Young, Theo Lincoln, Jude Rolfe-Tarrant, Chris Marfell, Max Hetreed, Chris Chaddock, Thomas Hickson, Finley Thoburn, Jacques Glibbery, Yaviin Jayasoma, Louis Glibbery, Jolyon Chamberlain

Silver award: James Whaley, Will Woods, William Vaughan, Tom Duffield, Benjamin Webster, Ishwor Paudyal, Jack Rodriguez

Bronze award: Scott Wooldridge, Progress Rai, Samuel Fussell, Joel John, Sankarsh Makam, Tom Durrant, Finn Sainsbury, Thomas Homer, Jules Dunford-Frost, Sean Quirk, Haydn Farrell Lecointe, William Cook, George Porstendorfer, Binam Yakha, Narendra Peiris, Rory Hawer, Finlay Dow, Ewan Gill, Dan Miles, Cameron Dow

DEPARTMENT OF MATHEMATICS

The Mathematics department has continued to achieve success in the maths challenges run nationally by the UKMT, as well as other challenges competitions. This year, due to the pandemic, the students sat most tests online, the Olympiads being written papers. We are very proud of all the students' achievements. (Mrs J Barrett, Head of Mathematics)

Senior Maths Challenge - November 2020 (Years 11, 12 and 13)

Best in School and Best in Year 13, Best in Year 12 and Best in Year 11: Nathan Burn (Y13), Jacob Spence (Y12) and Max Day (Y11)

Gold certificate winners: Nathan Burn, Charlie Sherwin, Alfie Cross, Jacob Spence, Jake Fellows, Adam Beardsmore, Adam Beaumont, Gefei Wang, Lachy Dow, Thomas Toze, Max Day, Luke Liang

British Maths Olympiad (top 1000 Senior Maths Challenge entries nationally): Nathan Burn (Year 13), Max Day (Y11)

Senior Maths Kangaroo (next 3000 Senior Maths Challenge entries nationally): Adam Beardsmore, Adam Beaumont, Alfie Cross, Lachy Dow, Jake Fellows, Luke Liang, Charlie Sherwin, Jacob Spence, Thomas Toze, Gefei Wang

Intermediate Maths Challenge - February 2021 (Years 9, 10, 11)

Best in Year 11 and Best in School: Lukas Bailey **Best in Year 10:** Arjun Nair **Best in Year 9:** Reuben Thomasson

Gold certificate winners: Lukas Bailey, Joe Parker, Max Day, Thomas James, George Roberts, Finn Sainsbury, Reuben Thomasson, Arjun Nair, William French, Luke Liang, Daniel Curry, Dan Miles, Oscar Gale, Zachary Beardsmore, Barnaby Dolphin, Aayan Riaz, Jude Murray, Rohit Ramachandra, Ben Wordley, Matthew Thompson

Intermediate Maths Olympiad (top 500 Intermediate Maths Challenge entries per year group nationally): Lukas Bailey, Reuben Thomasson

Intermediate Kangaroo (next 5500 Intermediate Maths Challenge entries nationally): Matthew Alderman, Joe Fry, Adam Packman, Joe Parker, Max Day, Thomas James, George Roberts, Finn Sainsbury, Arjun Nair, William French, Luke Liang, Daniel Curry, Dan Miles, Oscar Gale, Zachary Beardsmore, Barnaby Dolphin, Aayan Riaz, Jude Murray, Rohit Ramachandra, Ben Wordley, Matthew Thompson

Junior Maths Challenge – April 2021 (Years 7, 8)

Best in school and Best in Year 7: Jacob Earle **Best in Year 8:** Monty Franklin. **Gold certificate winners (Year 8):** Monty Franklin, Thomas Lauzier, Ghin Choi, Sai Krishna Kantamani, Daniel Coombes, Kit Coley, Tudor Luhan, William Bedford, Toby Taverner, Hamad Sardar; **(Year 7):** Jacob Earle, Andrew Jai, Jack Lee, Toby Allen, Ethan Hemming, George Sutton, Alexander Trompetas, Josiah Evans

Junior Olympiad: Jacob Earle, Andrew Jai, Monty Franklin

The Team Maths Challenges could not take place this year due to Covid restrictions.

Bath University Maths Masterclasses

During six Saturdays in the Spring Term, Ghin Choi, Toby Taverner, Sai Kantamani, Thomas Lauzier, Archie McAllister and Lewis Adams were selected to take part in the online Bath University Maths Masterclasses.

TalentEd Maths Masterclasses

The following students have been invited to attend Masterclasses run by TalentEd, an organisation supported by Simon Singh: Isaac Hepburn, Joseph Pratt, Henry Roberts and Sangam Thapa.

University of Southampton Maths Challenges: (individual entries from up to 33 schools across England)

Junior Challenge Winner: Matthew Alderman

Senior Challenge Winner: Arjun Nair

UKMT Mentoring sessions

Throughout the academic year small groups of students have been meeting on a weekly basis to discuss some tricky problems set by UKMT and under the guidance of a sixth form mentor:

Year 11: James McDowell, Barnaby Dolphin, Christian Tan (Mentor: Sankarsh Makam)

Year 10: Aayan Riaz, Finlay Stevenson, Martin Kairys (Mentors: Ollie Hapke-Basquette, Lachy Dow)

Year 9: Reuben Thomasson, Henry Roberts, Thomas Peters, Joe Fry (Mentors: Nathan Burn, Chris Mattocks/Charlie Knight)

Year 8: Ben Jacobs, Ghin Choi, Thomas Lauzier (Mentors: Joe Essigman, Ben Jones)

Year 7: Tom Hanley, Andrew Jai, Jacob Earle, Ethan Hemming, William Burnand (Mentor: Elena Pinkney)

MUSIC

We are aware of the following musical achievements:

Pupil	Instrument	Grade	Result
Marni Lai	Harp	Diploma ABRSM	Distinction
Tanay Vajramani	Piano	8	Distinction
Benjamin Jacobs	Trumpet	8	Distinction
Benjamin Jacobs	Drums	8	Distinction
William Hackett	Trumpet	8	Distinction
Adam Curry	Piano	8	Merit
Tiger-Lily Jonathan	Singing	8	Merit
Jacob Spence	Piano	6	Merit
Reuben Thomasson	Jazz Piano	5	Distinction
William Hackett	Piano	5	Distinction
Tom Prior	Trumpet	5	Merit
Gio Galanza	Piano	5	Merit

Joshua Samuel	Organ	5	Merit
Adam Vickers	Piano	5	Pass
Ronald Valdez	Piano	5	Pass
Thomas Homer	Piano	4	Merit
Jack Lee	Alto Saxophone	4	Merit
Oskar Valjak	Piano	4	Pass
Harrison Millard-Smith	Cello	4	Pass
Luca Zanchi	Piano	3	Merit
Arthur Jenkins	Piano	3	Merit
Samuel Smith	Cello	3	Merit
Joel Davies	Piano	2	Merit
Daniel Bazen	Piano	2	Merit
Michael Forster	Piano	2	Merit
Ethan Kelly	Piano	2	Pass
Gabriel O'Neill	Piano	1	Merit
Josh Gray	Piano	1	Merit
Adam Curry	Singing	6	Distinction
Jacob Spence	Singing	6	Distinction
Tom Durrant	Singing	6	Merit
Toby Ransome	Trumpet	5	Pass
William Ransome	Trumpet	4	Distinction
Jonny Chadwick	Trumpet	4	Distinction
Ben Smith	Piano	4	Distinction
Sebastian Quinlan	French Horn	3	Pass
Daniel Robertson	Trumpet	3	Merit
Ewan Gill	Trumpet	3	Pass

Exams: As you will see for the exam list a large number of pupils, and their peripatetic teachers, have continued to work hard this year towards exam entrances. Special mention is deserved for Marni Lai, who achieved a Distinction for her Diploma on the Harp, this is an incredible feat for someone in Year 12. Also, to Tanay Vajramani, who didn't just achieve a Distinction he was awarded 148/150 which almost certainly was one of the highest in the entire country. And to Benjy Jacobs who managed to achieve not one, but two, Grade 8 distinctions and he is still only in Year 8 so I am very excited about what the future holds for this young man.

The music department has been rather stifled this year with music making opportunities, but I have been amazed at the pupils' willingness to still play, practice and perform.

The Choir has continued to rehearse throughout the year despite the difficult circumstances. We welcomed ten new Year 7 choristers in September and I have particularly enjoyed our Friday morning sessions this year. We even managed to sing some carols outside the Playhouse at Christmas. Of course, we welcomed girls to the choir for the first time in Bishop's history, five Year

12s joined us in September and have been a wonderful addition. We began rehearsing in year group bubbles in September, moved to Zoom rehearsals in January, returned to bubbles in April and then started full rehearsals (whilst keeping social distancing between bubbles) in the Sports Hall.

We recorded a number of virtual performances for Founders Day, Prize Giving, Remembrance and Christmas services and managed a full recording of the choir in the Sports Hall for the virtual Cathedral Service as well. Whilst it has been frustrating and disappointing not to be able to perform fully and in front of an audience, I think we have managed to troop on regardless of restrictions and the pupils should be very proud of themselves. We can only hope that we are able to return to performing properly soon and many plans are in place for as soon as they are allowed.

Ensembles have begun, and stopped, and then begun again as the guidance continued to change throughout the Year. Mrs Hind has had excellent participation from the Year 7 and 8 ensembles, and they finished the year with a performance on the astro before the summer holidays. In the final term the new BWS Big Band started rehearsing in the Drama Studio which brought together boys from Years 7-13, they also performed outdoors before the end of the term on the lawn outside No. 11. It was particularly brilliant to see a number of Year 11s returning each Tuesday for these rehearsals long after they had finished for the summer. A-level singers continued rehearsing throughout the year as the Sixth Form remained a bubble, and they contributed many times to services with virtual and live recordings. This group gave arguably the musical highlight of the year, where 10 of the group travelled to Cornwall to give a lunchtime concert at the Minack Theatre, near Lands' End. We had the most amazing time with dedicated rehearsal time before the performance and the weather played its part giving us an almost Mediterranean afternoon for our performance.

Other notable achievements this year have been Tiger-Lily Jonathan joining the National Youth Jazz Orchestra, rehearsing online and travelling to London for Saturday morning rehearsals; Luke Passmore gaining a place in the West of England Youth Orchestra which is an auditioned and a highly competitive youth orchestra; William Ransome recorded an Organ Voluntary for one of St. Thomas' online services and many of the pupils continuing to be involved with Salisbury Area Young Musicians.

It would be foolish to consider that this had been a vintage year for music at Bishops, but it has shown to me in my first year that we have a wonderful crop of young musicians who are passionate, enthusiastic, talented and resilient and I am truly excited about the future of music here at Bishops. (Mr L Edney, Director of Music)

Joshua Samuel was re-awarded the Roger Pennell's Organ Scholarship.

The Year 7 Wort Scholarship was awarded to Oscar Hind and Andrew Jia.

Year 10 Wort Scholarships were awarded to Michael Tao and Thomas Wood.

SCIENCE AWARDS

Biology Olympiad – Gold: Callum Kidson, Gabriel Ross, Siddhant Nayak, Rory Lloyd-Jones; **Silver:** Alexander Boulder, Will Gande, Harry Shakespeare, Patrick Maidment, Lawrence Galila, Oliver Lincoln, Frederick Simpson, Barnaby Knight, Jasper Bates; **Bronze:** Harrison Walls, Alexander Weir, Joseph Scahill, Zavier Mirza, Phoebe Lambard

Intermediate Biology Olympiad (Year 12) – Gold: Barnaby Knight; **Silver:** Tanay Vajramani

Biology Challenge (Year 10) – Gold: Zachary Beardsmore, Will Cook, Cameron Dow, Gio Galanza, Joel John, Homam Khasreen, Alec Liebenberg, Arjun Nair, Harry Ogg, Aayan Riaz, Ryan Shino; **Silver:** Aryan Arya, Edouard Bayliss, Alex Chisholm, Theon Evans, Joseph Gallagher, Ewan Gill, Josh Gothard, Thomas Greenall, Martin Kairys, Henry Knight, Narendra Peiris, Tom Pullin, Will Self, Ben Smith, Oscar Stewart, Michael Tao; **Bronze:** David Alappat, Alexander Barnes, Aryan Bhandari, Timothy Blackburn, Lewis Broe, Patrick Clarke, Sam Cutress, Youssef Elmorsy, Max Farnon, Demitri Fernandez, Oscar Gale, Thomas Gilson, Jim Goldsack, Joe Hearsey, Otto Jenner, Edward Klein, Charles Lewis, Kieron Lieng, Alfie Moore, Aarv Paul, Luke Payne, Harrison Penny, Caleb Richter, William Sharman, Finlay Stevenson, Benjamin Tayler, Ben Thompson, Tom Wilson, Joshua Wood

Chemistry Olympiad (Sixth Form) – Gold: Jake Fellows, Siddhant Nayak, Callum Kidson, Nathan Burn. 13 students achieved Silver awards and 26 students achieved Bronze awards.

Chemistry Challenge (Year 12) – Roentgenium Award (Top 54 of 7000) was awarded to Jake Fellows. **Gold:** Jasper Bates, Adam Beardsmore, Adam Beaumont, Jack Pelham, Gefei Wang

British Physics Olympiad (Year 12) – Gold: Jake Fellows, Jacob Spence, Ishwor Paudyal, Thomas Toze, Nathan Elliott, Marni Lai, Charlie Knight, Adam Beardsmore. 8 students achieved Silver awards and 18 students achieved Bronze awards.

British Physics Olympiad Intermediate Challenge – Gold: Benedict Binu, Daniel Curry, Finn Sainsbury, Luke Liang, Thomas James, Reuben Cordina, Benjamin Webster; **Silver:** Dan Miles, Tom Prior, Joe French

British Physics Olympiad Junior Challenge - This year we have been able to take part in the Physics Junior Challenge once again. All Year 10 students took part in the online competition and the results they achieved were exemplary. The top students were Cameron Dow, Joshua Gothard, Luke Payne and Ryan Shino and they can be congratulated on their outstanding performance. In summary our students received 44 Gold Awards, 69 Silver Awards and 37 Bronze Awards. Congratulations to all who took part. (Mrs L Kimberley, Lead Teacher KS4 Physics)

SPORTS AWARDS

PE and Sport Overview: When asked to write the Prize Giving report, the best bit is reviewing all that we have achieved in the last 12 months and despite a global pandemic we have achieved a fair amount which as always is testament to our boys and now also girls.

As a department the time allowed us to reflect and review our practice moving to a more holistic approach, not just focused on skill development in our various activities, but also through our key processes such as decision making, analysis and determination. We also had the pleasure of working with the Athlete Academy over the final 6 weeks of the summer to develop our Fundamental Movement Skills delivery in order to help all our students not just become better sports people, but better humans in terms of their everyday movement and actions. This whole adjustment in delivery can simply be summed up by our desire to allow our students and ourselves to be better people, *better everyday*.

We have continued to have great success in what we have been able to do over the last year, a lot of this would not have been possible without our various supporters who I refer to in my end of term reports, but as always a huge thanks to *Fawcetts, Blue Frontier, Girls Love Fit* and the *OWA* who have all contributed towards our delivery and continue to do so. For the next academic year I am also excited to have *Quilter Cheviot* on board as a major sponsor of our sports teams and who will be present on our training kit from September.

Summer 2020 saw a limited amount of sport take place as we faced lockdown restrictions. Thankfully come the Autumn term with restrictions in schools eased we were able to get back to some sort of sporting normality with our myriad of opportunities on offer through our games options including Aussie Rules and Lacrosse to complement the usual PE provision and Games options. Along with yoga on Tuesdays after school there was the option of squash at Chafyn Grove and Tennis at Salisbury Tennis Club.

The Autumn also brought our own BWS girls into Year 12. Perhaps not the start they envisaged, but a start nonetheless and we were very happy to welcome them without hesitation in the knowledge we could compete on a regional and national level.

Since joining, the netball girls have managed to play a couple of netball fixtures against Godolphin and Dauntsey's with a fuller list in place for 2021-22. Tennis was played in the National Championships Aberdare Cup losing to an excellent Talbot Heath, before also taking on Godolphin and then a mixed match against Marlborough. The girls have also had the opportunity to train in both cricket and rugby, as well as mixed lacrosse, most starting from scratch, but with the increasing popularity we hope to have teams in the next academic year.

Some of the girls also played their part in our only weekend fixture of the autumn for the lower years when they, along with the boys in our Sports Leaders cohort, organised and ran a Ready 4 Rugby tournament. This was a great morning and without the pressures of our usual weekend blocks, allowed the players to really express themselves.

The senior rugby side also managed a couple of Ready 4 Rugby Tournaments at Salisbury Rugby Club which paved the way for many of our seniors to get involved with men's rugby which has been a real positive, seeing them continue on the pathway within the sport.

Senior rugby was one of the only non-summer sports to get any fixtures in this academic year. Led brilliantly by the co-captains Charles Kantolinna and Tom Edmunds the senior players played out an enthralling Stayers v Leavers match to facilitate one last home game at Britford for the Year 13 boys. This proceeded a clean sweep with dogged performances against two of our fiercest rivals. Before the summer half term we travelled to Bryanston with an U17 side as well as a 1st XV, both sides put in huge shifts to run out winners, the U17 side with many on senior debut and the 1st XV winning without concession, always a pleasing result. Then two days later the 1st XV took on Marlborough again away and despite conceding first with a well taken intercept try, they showed huge spirit bouncing back to win 12-7 and see the Year 13 boys off in style before we saw them off with an impromptu rugby dinner that evening.

Summer 2021 should have seen us in South Africa with the Lions, but it was not to be. Instead we look forward to touring in 2022, led by the 2021-22 1st XV Captain Jack Pawson.

Once we got beyond Easter and things began to open up we were able to get back to some sense of sporting normality and it was no surprise that our students took to the fixture list with real desire and intent.

I have already spoken of netball and rugby but we have also been fortunate enough to have athletics, tennis and cricket fixtures weekly throughout the summer term. The athletes as usual did not disappoint having committed to training throughout the term in Games and after school our Year 10 team went to Marlborough for a meet with some of the biggest independents in St Pauls & St Edwards Oxford and came away winners by some way. This same team then went to Abingdon in the National Schools Cup and once again won the meet by some margin, this time upsetting Northampton School for Boys. The Year 8 team also got in on the act this time around, a great showing from a year group who missed nearly all athletics this time last year. After all results across the country were in, the Year 10 team finished as 4th best county winners and 11th nationally.

At the time of writing 25 boys and girls had played tennis for the school this summer with notable victories over Bryanston and Marlborough. Victory also over Trafalgar with the Year 10 side allowed them to win their Division 2 group and progress to regional knockouts, a fate already guaranteed for the Division 1 sides at both Year 8 and Year 10 in the Autumn. For the first time in a while we have a senior boys team who like the girls went down fighting in their National competition, the Glanville Cup. Having navigated the first round they were eventually overcome by a strong Millfield side. However, with so many on the courts the future is very bright for BWS tennis, particularly with Hari Choudhury coming through the ranks in Year 9 with his victory in this year's Road to Wimbledon competition. Hari went to Wimbledon this summer for the National finals.

Cricket really came to life in the summer term and having trained in the hall all winter, we had the pleasure of taking on some of the best around, including Winchester College, Dauntsey's, Portsmouth Grammar and Marlborough. While the 1st XI struggled to get going, lower down the school there has been great strength in depth particularly at Year 10 and Year 8 level. Most impressively though the Year 9 side made the Wiltshire T20 final. Building a sport takes time, but the early signs are that cricket will soon be pushing the same heights as our other major sports.

This bid for success as well as greater opportunity for boys and girls will hopefully be buoyed by our bid to install an external all-weather surface at Britford lane. Originally the primary aim was for external cricket nets to allow players to train during the exam season when the hall is out of use, but that plan has now grown to make the area multipurpose. With a footprint near that of the hall we will be able to play netball, train for football and rugby as well as use it for cricket. A really exciting project that I hope with the help of the BWS Foundation, alumni and local business we can see come to fruition by the middle to end of 2022.

Squash and Polo have also featured on the fixtures calendar this term with fixtures against Bryanston in both. Golf is being lined up for the Autumn against Eton, who we have also picked up as a block fixture in the rugby. An Aussie Rules fixture has been mooted, lacrosse looks to explode in popularity and A level PE makes a return, with potential trips thanks to OWs lined up to Arsenal and Eton to explore certain aspects of the course. The breadth of opportunity at all levels in different activities is something I am most proud of at our school, and that as a state school we are able to offer so much.

Beyond BWS you may have seen Cadan Murley won the Premiership with Harlequins after a tumultuous year as a club and personally with injuries, a fine result and sporting story. Xav Hastings played for England U20 and has made the move to Hartpury for his rugby next year. Mike Bradwell Year 13 continues to represent the Philippines this time in rugby 7s. In athletics Theo Cochrane in Year 12 competed in the high jump final at the U20 and U23 UK National Athletics Championships in Bedford in June.

As you read this we will once again be in the throws of a busy autumn, with block fixtures against the best around and cup competition to look forward to at all levels. 2021-22 is set to be a bumper year, but 2020-21 lay the foundations for it and the simmering cauldron of BWS Sport, having spent most of the last year on the back burner, has been nicely seasoned and is ready to go.

Congratulations to all our prize winners, in particular Alex Branagan for the new award in Arthur Bowden's name for the person most improved in rugby. From his first game to last as a 1st XV player he is almost unrecognisable to the one who started, a real leader and character on and off the pitch. Also Kate Clewer the recipient of our Team BWS Values prize. Kate is always humble, respectful and seems to enjoy whatever she is doing be it netball, rugby or cricket. She has volunteered for nearly everything and shows real self-discipline in her organisation and resilience in her learning of new sports in a new school.

Finally thanks as always to all the staff and volunteers who make it possible. With our own physio clinic, video analysis and expert coaches we're always looking for that performance edge, but our real edge comes in the form of our students who are remarkable at all levels in their attitudes and endeavour to be better everyday. (Mr R Demain-Griffiths, Director of Sport)

Rugby 1st XV Joint Captains: Tom Edmunds and Charles Kantolinna

Rugby Colours – 1st XV: Luke Duckett, Ben Colvine, Harrison Walls, Seb Bull, Rory Lloyd-Jones, Alex Cole, Alex Branagan

Cross Country Colours: Toby Taverner, Ruben Williams, Ethan Covil, Josh Fricker, Jake Redding

Sports Leaders UK Level 2 Qualification in Sports Leadership: Archie Boardman, William Budden, Adam Cizek, Kate Clewer, James Cook, Will Corfield, Thomas Durrant, Patrick Fielder, Samuel Goddard, Lily Harffey, Jack Hawkins, Jed McGrath, Hannah Moser, Leonardo Penna, Oliver Phillips, Martha Royle, Mustafa Shakil, Danny Sinclair, Isaac Taylor-Holland, Sheon Toms, Thomas Toze, Alexander Tribe, Gregory Williams, Max Woodhouse, Harriet Woodward

SOME OTHER NOTABLE ACHIEVEMENTS DURING 2020 – 2021

Arkwright Scholarships: Engineering is an area which interests many of our students. We are an Arkwright Engineering School and we are delighted to report that 13 students have achieved scholarships over the last two years: **Year 13** – Toby Brawn, Sebastian Bull, Barnaby Cooper, Joe Essigman, Sankarsh Makam, Harvey Thorpe, Jack Titcombe; **Year 12** – Lachy Dow; **Year 11** – 6 Year 11 students have applied for an Arkwright Scholarship this year and the results are due in early October. (Mr B Bull, Design Technology)

Big Questions: The Big Questions group spans every year group in the school which is one of its many charms. Unfortunately, as a result of the necessity for year group bubbles it has meant we have not been able to meet in person this year. This has not stopped us completely and we moved onto Teams, creating our own group and there have been several in depth discussions on various topics over the course of the year. We even had an online video meeting during lockdown. We have been able to support each other in the way we would in normal circumstances, chatting about our lives, how we're finding the situation, making requests for prayers, welcoming new members and, I hope, continuing to develop the community spirit which is so integral to our group. Hopefully next year I will be able to write of all the fun we have had meeting in person, playing games and discussing those 'Big Questions' about life which we all seek to answer. (Mrs L Kimberley, Lead Teacher KS4 Physics & Rev. A Gough, School Chaplain)

BWS Adventure: New excursions, new partnerships, new charitable links and a happy return to Great Yews for our first years at the close of the summer term. BWS Adventure has, inevitably, found a way to further opportunity and adapt in the current climate so that our students can benefit from engaging within a different classroom. Now more than ever, the value of resilience, confronting risk and experiencing unfamiliar environments is in the public eye and part of a skill set which will be in high demand as our young leaders enter the wider world...

Here at BWS the programme is thriving. September saw the continued success of the team-building days for the new tutor groups in Year 7 as they were challenged with various problem-solving activities, followed by fire-lighting and cooking skills, the latter of which will be put to the test in their end of year camp amongst the Yew trees of Longford... From March through May all of Year 8, one form at a time, completed a 12km hike around the Longford estate in a brand new venture aided in no small part by David Canty, the estate manager. Between the teams at Longford and BWS we have devised a number of routes, designed to provide a robust physical challenge but also to encompass a diverse cross section of the land and educate the boys as to the day to day and seasonal workings of the estate. We were also delighted to forge a new partnership with the charity Horatio's Garden, donating £510 from these hikes via donations instead of trip payment.

Following the announcement of the senior prefect body, the team ran an overnight excursion based on leadership challenges and exercises. This was a great success and again a new concept which will develop year on year, particularly as an important precursor to the first year camp where the prefect body takes a significant lead in activities. As far as the future goes there is the oft quoted 'back to normal' to either wait for or a more likely 'new normal' to work towards. Skiing and Pencelli will both come around again, and planning for Ten Tors is already underway under the expert guidance of Adam and Jess Bate – another example of the parent volunteer base without which these opportunities would not exist. But beyond this, the most exciting aspect is the unknown, the unexplored and the new landscape that inevitably awaits us and just as BWS Adventure has shown this year, there is always scope for something new and positive to emerge from adversity. Roll on next year. (Mr J Oldham, Head of Outdoor Education)

Chinese: The following boys were awarded a Certificate of Achievement: **Year 8** – Finlay Bullock, Ben Dennis, Joshua Fricker, Isaac Hepburn, Cian Killick, Thomas Lauzier, Hassan Quraishe, James Stobbs, Jack Strawbridge, James Sulman, Nathanael Teal; **Year 9** – Matthew Alderman, Michael Andrews, Arya Belgee, Abed Brown, Alexander Burnside, Inigo Dibos, Joseph Faulks, Joseph Fry, Sheldon Hands, Brendan Hau, William Hawkins, Elystan Josty, Oliver Love, Lucas Meadon, Sam Murray, Vincent Naing, Archie Paterson, Joseph Pratt, Toby Ransome, Saul Ruscoe, Zayan Siddiqui-Raja, Sangam Thapa, Nigel Twort, Joel White, Reuben Wood, Ptolemy Wright; **Year 10** – Timmy Blackburn, Willoughby Dubois, Oscar Gale, Ozzy Goodman, Oliver Graves, Finbar Lee, Caleb Richter, Artyom Sharov, Dennis Tylkowski; **Year 11** – Benedict Binu, Oliver Branagan, Aaron Cheung, Tom Duffield, Henry Fell, Ethan Forder, Joe French, William Hackett, Thomas James, Luke Liang, Benjamin Maxwell, Jude Murray, Yousuf Qureshi, Adam Rojas-Hindmarsh, Jonathan Samuel, Benjamin Webster; **Year 12** – Jasper Bates, Samuel Biddlecombe, Thomas Cordingly, Jake Fellows, Jamie Hopkins, Charlie Knight, Joshua Samuel, Jonas Stringer, Tanay Vajramani

Year 13 – All boys gained at least grade 8 with eight scoring the highest grade possible (grade 9) for GCSE Chinese: James Crossley, Samuel Fry, Lawrence Galila, Charles Kantolinna, Callum Kidson, Paddy Maidment, Siddhant Nayak, Samuel Waters, Aidan Wooldridge. (Mrs F Tang, Teacher of Mandarin Chinese)

BWS Debating has successfully continued to be active throughout the school year, including through the extended school closure period despite the restricted group sizes required and limitations of the compressed day. It has been an active year, with a good influx of enthusiastic new talent and pleasing results in national competitions.

The Debating Society Committee, under the highly capable leadership of Chair Olly Randall and Vice-Chair Ollie Kennedy, held debates on Friday lunchtimes, in the chapel when in school, including collaboration debates with other societies and guest staff speakers. A shortened format was implemented, to accommodate the short lunch breaks, which proved successful in continuing to allow members of the Sixth Form to develop their skills, including a significant number of students new to the school this year. Mark Jones took over organising a number of the popular Model UN debate activities within the school. Debates continued via Microsoft Teams during school closure. Year 13s also ran some separate Middle School debating.

We fielded a number of teams from our Sixth Form in national competitions, giving a selection of students the experience of debating in the competitive environment. All rounds this year for these events including finals, took place remotely online. The BWS team reached the second round of the ESU Schools Mace Competition with further success in the Oxford Schools' competition, where Jess Hammond and Clarke Jamieson won places to and competed in the Oxford Finals Day, alongside more than 25 teams, including international teams.

Many thanks to all those who ran the Debating Society, our competitions and activities this year. We are well placed, with some enthusiastic and committed Year 12 members, to take the society's activities forward to expand and develop participation and maintain the momentum with debating activities continuing to be an important part of BWS life. (Mrs N Goldsack, BWS Debate Coach 2020-2021)

Drama Department: It has been a strange year for us all and here in Drama restrictions have meant a complete change to the way the subject has been taught. The students adapted admirably. Our main events could not go ahead, but we did enter the English Speaking Union Shakespeare Competition. This was all online this year. The students who reached the regional finals last year - but were unable to progress further as the competition was closed down - were put forward again. Out of the four students, two were highly commended and two made it through to the

National Grand Finals. This is an amazing achievement as there were only 16 grand finalists in the Year 10 competition and 22 in the Lower School section. Theon Evans (10W) represented us with a rousing and powerful performance as Henry V and Toby Ransome (9M) brought comedy to the event as he performed one of Bottom's monologues from 'A Midsummer Night's Dream'. Both were not placed, but received glowing individual feedback from the esteemed judges. I am exceptionally proud of both and them. (Mrs M Gordon, Head of Drama)

Geography Club and Geography Society: Face to face Geography Club returned this term. It has been a joy to see the students sharing brilliant ideas and playing top trumps and other map and flag-based games in our current lunchtime location, The Chapel. During both periods of online school, Geography Club moved on to Teams, we had regular Teams meetings and currently have over 140 members on the team sharing quizzes, ideas and amazing geographical facts. An especially inventive Year 9 student started a competition after Easter and has spent hours creating some very challenging weekly quizzes to share on the team. Geography Club started in 2015 and is open to all students at Bishops. Students from Year 7 right the way through to Year 13 attended this year and it is always great to see older students helping younger ones (and vice versa!!).

Geography Society also has a good following on Teams, links to topical and relevant articles as well as dates and information for online lectures and webinars are regularly posted by both students and staff to keep everyone up to date with current affairs. Will Gande, the Geography Prefect organised some excellent speakers. Damon O'Brien from APBMer talked about his career in Oceanography and Ian Coady discussed International Development. Both speakers talked about studying geography and where it can lead. There are already plans forming about more visiting speakers for next year. (Mrs F Jones, Head of Geography Club)

The **BWS History Society** has had a great year, albeit a bit disrupted. Despite the pandemic restrictions enforced throughout the year, the History Society's plans and ideas were not curtailed; it continued to have an integral role within the BWS societies, helping to encourage more people to develop an understanding and appreciation for history. This is down to the speakers with whom we work hard to organise talks. Over the past year, there have been some incredibly interesting and insightful speakers who have thankfully agreed to deliver their talks via Teams, making it accessible for more people across the school and other local schools, such as Salisbury Sixth Form College and South Wilts Grammar School. Our predecessors, Olly Randall and Mark Jones, organised some incredible talks from distinguished professors and academics, such as Professor Ian Thatcher's 'Stolypin's land reforms' and the introduction to ancient Roman myths, legends and history by Dr Amber Gatrell. Inspired by the fantastic speakers last year, we organised a

talk by Anthony Seldon, a renowned historian for his work on the history of the office of the Prime Minister. He gave an insightful talk about the role and the shifting power dynamic between the prime minister and the monarchy, from Walpole to Johnson. Olly and Mark also helped to lighten the lockdown mood by continuing to post articles on our blog and by introducing the Horrible Histories song contest for the first year, which was a huge success. As this year's co-chairs, we are determined to continue the song contest to encourage more people to join the History Society and give the Charles II song another chance at winning!

With the summer holidays close in sight, we are now both very excited to begin planning the talks for the next school year; hope to continue the current system of having half of our talks related to our curriculum and the other half on requested topics by our members and other students in the school. We hope, next year there will be many more talks for those taking A-Level history, or those who are just simply interested to attend. (Abi Phillimore and Jack Shepherd, Year 12, Co-chairs of the BWS History Society)

Congratulations go to our Head Boy Jake Kneale who won the Youth Portfolio Category of **Young Landscape Photographer of the Year**. Jake was also commended in the youth black and white category.

Politics Society: 2020 is probably the year that will define this decade or perhaps our generation. We finally left the EU, Boris Johnson set off to Build Back Better, Covid 19 came and turned everything upside down and Donald Trump lost the Presidential election to a rather less exciting, albeit more predictable and somewhat less controversial, Joe Biden. The Politics Society picked up at a pace once school started again in September.

Our first talk was with Romsey MP Caroline Nokes and took place in the Sixth Form Common Room with Ms Nokes' face projected onto the whiteboard as she was unable to attend in person. Everyone was amazed by the success of our conference calls with unexpectedly high levels of engagement and the sense that we were able to communicate directly with our speakers. Sir Desmond Swayne, MP for New Forest West, was a highly engaging speaker and we thoroughly enjoyed his talk and his contentious views on government policy during the pandemic. He is a critic of Boris Johnson within the Conservative Party and he debated with the society well, especially over some highly controversial topics such as race.

As well as a record five MPs this year, we also had a range of academic speakers too. Our first was Dr Peter Allen, from Bath University, who gave a fascinating talk about representation in democracy. Perhaps most memorable was Exeter University professor, Ross Carroll, who gave a talk on political comedy and satire. His talk ranged from hate crime and Charlie Hebdo to the Simpsons and then onto the impact of our future PM Boris Johnson's

appearance on BBC's 'Have I got News for You'. Professor Carroll's talk gave a thought-provoking account of the history of political satire but also how it is used today, for better or worse, and whether it is actually good or bad for politics. The blend of politics and comedy is much more complex an issue than any of us had thought.

Top human rights lawyer and barrister Eric Fripp gave another evening talk which inspired the whole society to consider studying law. He also addressed the rights issues surrounding Covid and the citizenship claims of Shamima Begum. Our most notable speaker was undeniably Sir Jeffrey Donaldson MP from the DUP. His evening talk on MS Teams was fantastic. His intimate knowledge of Northern Irish affairs and the functioning of Westminster was incredibly interesting. The whole society was left with a far greater understanding of the politics in Northern Ireland and its history. One could not help but feel sympathy for those from both sides of the religious divide who, like Sir Jeffrey, were profoundly affected by the Troubles. The society has been incredibly fortunate to have had such a high calibre of speakers this year.

Finally, our US election day breakfast was a hit. On the morning of November 4th, the whole society gathered before school to eat breakfast and watch the most anti-climactic election results ever come in! First thing in the morning, it seemed as if President Trump may have won! However, by the time lessons started, and our breakfast was over, Biden began taking states like Pennsylvania as postal votes were counted. Although nothing conclusive took place over breakfast, it was fantastic to have so many students come to discuss politics over coffee and (some burnt) toasted waffles.

We managed to run 14 talks this year using both the Conference Call and evening MS Teams formats. Covid 19, for all the endless problems it has caused, has possibly transformed the society for the better. We are now able to communicate with speakers from across the country, including Northern Ireland, Cambridge and London and perhaps different countries, if the next committee dares to try. (Tom Tennett, Year 13, Politics Society Chair)

The Chaplaincy: Covid restrictions hit the BWS Chaplaincy very hard. There has not been a service in either the School Chapel or the Cathedral since February 2020.

As with much else in life, the Chaplain had to move online. Regular 3 minute Chaplain videos have been produced which the boys then watch in their form rooms during tutor time. The Cathedral services had to move online with readings, prayers and address being filmed in the Cathedral; and excellent contributions from the choir filmed in school chapel. These again have been watched by the school in their form rooms and Sixth Form in larger spaces.

The lunchtime chaplaincy activities, which were growing nicely and planned to expand to a third lunchtime, were lost due to a combination of the shortened lunch break and the inability to mix boys from different year groups. The 'Big Questions' group moved on to MSTeams which has kept some contact going through Covid restricted school.

The diocesan links I was beginning to establish were also put on hold as so much of the Church of England closed down and moved online. The Cathedral appointed a minor canon for youth in February 2020 and he is keen to be involved in BWS. Through the year he contributed two videos for the chaplain slot as a start in this process.

My move to BWS was as a step towards retirement. I am now 66 and this is an appropriate time to move on. There have been some positive developments in the chaplaincy during my 3 years in post; although very obviously Covid restrictions drastically curtailed this during the past 18 months. My replacement is Rev Dr Stella Wood who will be taking a full-time role in the School. She is a very experienced school Chaplain and someone well established in Salisbury diocese. This should mean that the Chaplaincy can quickly rebuild and develop positively in the future. (Rev. A Gough, School Chaplain)

Sailing Club: For the first time since October 2019, on Tuesday 18th May 2021 at 1600, eight Year 7 boys loaded themselves onto one of our minibuses and I drove them down to Blashford Lakes near Ringwood where they were to embark on the first six weeks of the Royal Yachting Association dinghy sailing course at the Spinnaker Club. We were met by the two instructors and, after they had changed into their sailing gear, for about half an hour they were given some verbal instruction, safety tuition, followed by some practical instruction on how the boats are rigged. This left an hour's sailing time on the first week. We usually arrive just before 1630 and (try to) leave by 1815. During the remaining 5 weeks, more time was spent on the water and the boys had about 75 minutes sailing every week; maybe that should read on and IN the water, as the boys have to practice capsizing and righting the boat as part of the course. The boys always thoroughly enjoy the course, so much so that we have difficulty sometimes getting away on time.

These boys will have the opportunity of completing their RYA1 certificate in September when we hope they can be joined by a few beginners. Thank you for the enthusiasm of the boys and the support of all the parents. (Mr J Browning, Sailing Club Coordinator)

BWS A level outcomes August 2021

This year, like last summer, is unusual when it comes to most things and exam results are no exception. The cancellation of the formal exam sessions meant that the subject grades for each student were arrived at via a different route. Though the finals grades were still awarded by the exam boards the grades were a distillation of various different forms of assessment through each A level course, with the greatest weight being given to work that was carried out later in the courses and under high levels of control (ie under supervised conditions in school). The assessment procedures were subject to rigorous quality assurance, both within school and by each exam board, and so we can be confident that the grades awarded to the candidates are an accurate reflection of their ability.

Headline figures are what Heads of schools invariably fixate on in August, and this year's outcomes were exceptionally strong. Much more important however are the individual stories of students who have coped with everything that the pandemic has thrown at them and come through so strongly. Our boys in Year 13 have a very exciting time in front of them - almost all will be starting courses at competitive universities in a few weeks' time with the prospect of a world that is opening up to opportunity once more. I wish them all good fortune as they take their first steps in the world beyond BWS.

BWS GCSE outcomes August 2021

The collateral damage wrought by the pandemic on education over the past two years will have varied from school to school, but in all cases will have been considerable. In 2019-2020 as much as 14 weeks of classroom time was lost, and in the following year perhaps another 8 weeks. Despite the facility of digital learning, the innovation of teachers nationwide and the determination of young people to stay on board, that type of incursion to face to face learning will have had a dramatic impact. At Bishop's the effects will have been less than elsewhere, as we were operating live lessons from very early on and subject departments were able to deliver a full range of syllabus content. The grade allocation by teachers in May/June, was a rigorous process of evidence gathering and holistic assessment; the nature of the assessment varies between departments, but in every case our boys will have been allocated grades based on their mock result and/or assessment data gained during the latter stages of their GCSE course.

In 2020-2021 our Year 11 boys have worked hard and done well in adversity. Their overall grade profile was very strong throughout, and the vast majority have stayed on with us for their Sixth Form education.

Dr S D Smallwood
Head Master, Bishop Wordsworth's School

DESTINATIONS – YEAR 14 – 2021

ALLEN	Ned	Worcester College, Oxford: Engineering Science
ASHMAN	Harry	Gap Year: University of Winchester: Criminology

ROSS	Gabriel	Loughborough University: History
RUTT	James	University of York: Mathematics/Physics
SCAHILL	Joseph	University of Exeter: Marine Biology
SCOTT	Liam	Cardiff University: Mechanical Engineering
SHAKESPEARE	Harry	University of Exeter: Zoology
SHERWIN	Charlie	University of Warwick: Mathematics
SHERWOOD	Callum	Gap Year: University of Bristol: Liberal Arts
SILVA	Fernando	University of Birmingham: Pharmacy
SIMPSON	Frederick	Gap Year: Reapplying to university
SMITH	Bradley	Gap Year: University of Bristol: Law
SNOW	Benjamin	Gap Year: Apprenticeship
SOUTH	Oliver	University of Southampton: Mechanical Engineering/Materials
SPICER	Archie	Gap Year: University of Bristol: Psychology
STREET	Ryan	Bath Spa University: Game Art
SYKES	Alexander	Gap Year: Applying to university
TALPALLIKAR	Nishant	Gap Year: Reapplying to university
TENNETT	Thomas	Gap Year: University of Warwick: Politics, Economics & International Studies
THOMAS	Owen	Brunel University London: Psychology (Sport, Health and Exercise)
THOMPSON	Joseph	University of Birmingham: Mechanical Engineering
THORPE	Harvey	Oxford Brookes University: Motorsport Engineering
TIMS	Euan	Gap Year: Reapplying to university
TITCOMBE	Jack	Gap Year: Applying to university
TOWNSEND	Lewis	Gap Year: Solent University: Live Event Technology
VAMBE	Darryl	Cardiff University: Engineering with Foundation Year
VICKERMAN	Roan	University of Bristol: Mathematics and Computer Science
VICKERS	Adam	Gap Year: University of Sussex: Psychology
VINOD	Nithin	Cardiff University: Philosophy

WALLS	Harrison	Gap Year: University of Bristol: Economics and Management
WARE	Joshua	University of Birmingham: Chemical Engineering
WATERS	Samuel	University of Exeter: Economics and Finance
WEIR	Alexander	Gap Year: Imperial College London: Geology
WILLIAMS	Lucas	Gap Year: Cardiff University: Psychology
WOODS	Benjamin	Gap Year: Swansea University: Economics
WOOLDRIDGE	Aidan	University of Southampton: Physiotherapy

Leavers and Reapplicants applying through BWS		
ANDRE-BROWNING	Theo	University of the West of England: Sports Business & Entrepreneurship
BEAVER	Jack	Oxford Brookes University: International Relations and Politics
BURNS	James	Cardiff University: Mechanical Engineering
DALTON	Rylee	Keele University: Psychology with Counselling
HO	Oscar	University of the West of England: Creative and Professional Writing
JAMES	Alexis	University of Bristol: Politics and International Relations
LEE	Ethan	UCL: Natural Sciences
NAYLOR	George	University of Exeter: International Relations and Modern Languages
OUTTERSIDE	Jack	Cardiff University: Psychology
PEIRIS	Bhagya	Newcastle University: Medicine and Surgery
SOBUCINSKI	Jack	University of Westminster: Biochemistry with Foundation
TRAVIS	Benedict	University of Bristol: Mathematics and Philosophy
VAN DER SCHEE	Sam	Brighton and Sussex Medical School: Medicine
WARD	Jay	University of Bristol: Management

GRADUATIONS OF OLD WORDSWORTHIANS

Name	University	Subject/Degree
Joseph Broomfield	UCL	1 st in MSci - Natural Sciences
Tom Dormer	Exeter	MPhys (1 st class)

Congratulations also to:

Joseph Broomfield who is doing a Cancer Relief sponsored PhD at Imperial working on the quick diagnosis of prostate cancer.

William Salkeld MA Maths (Oxford) was awarded a degree of Doctor of Philosophy by the University of Edinburgh (BWS 2004-11).

With thanks ...

The quality of educational experience that we can offer for the boys and girls at BWS would not be the same were it not for the hard work, help and commitment of a large number of people from the Salisbury area and beyond. This is our chance to say thank you to all the many employers, both locally and nationally, who have offered work experience placements (and also internships) to our pupils, and to our visiting speakers in Sciences, Humanities, Politics and Languages, from the judiciary, from industry, from NGO's and others; they do so much to enrich what we offer for our students.

Large numbers of parents help with our pupils' sporting commitments, whether it be by coaching or accompanying teams, travelling to fixtures or supporting on those cold, wet touchlines through the Autumn (and occasionally Spring) Terms – thank you for your unfailing energy and enthusiasm. It's great that so many parents help and support their efforts in public speaking and debating, Duke of Edinburgh, Choir, Music and so many other activities where transport, time and logistical know-how are such essential and basic requirements. Expeditions and trips cannot happen without parental subsidy – we can only put on what we do ultimately because mums and dads and grandparents willingly foot the bill; our boys and girls gain so much experience because the costs of an exciting educational programme is underwritten by long-suffering family members! Thank you also to the very large number of parents who support their sons and daughters through paying for music lessons and then encouraging practice (from sometimes slightly recalcitrant musicians) at home – school music would be very much poorer were it not for you!

Thank you especially to the BWS Parents' Association, the Old Wordsworthians' Association, the BWS Foundation and our fantastic diaspora of Wordsworthians who help in fundraising and supporting the school so generously. It is marvellous to see the growing size and reach of the BWS Network, and fascinating to see and hear messages of goodwill from across the World from our wonderful alumni!

Thank you to the very large number of parents who have contributed towards 'Aiming for Excellence', the BWS Gift Aid Scheme; this simply wouldn't be the same school without your support; you make things possible which would otherwise be beyond our students' reach.

Finally, thank you to all the dedicated and hard-working staff who have helped our students gain the fantastic successes described in this programme. We can all be very proud of what we have achieved together, and we can look forward with confidence to the even better times to come.

Dr S D Smallwood
Head Master, Bishop Wordsworth's School

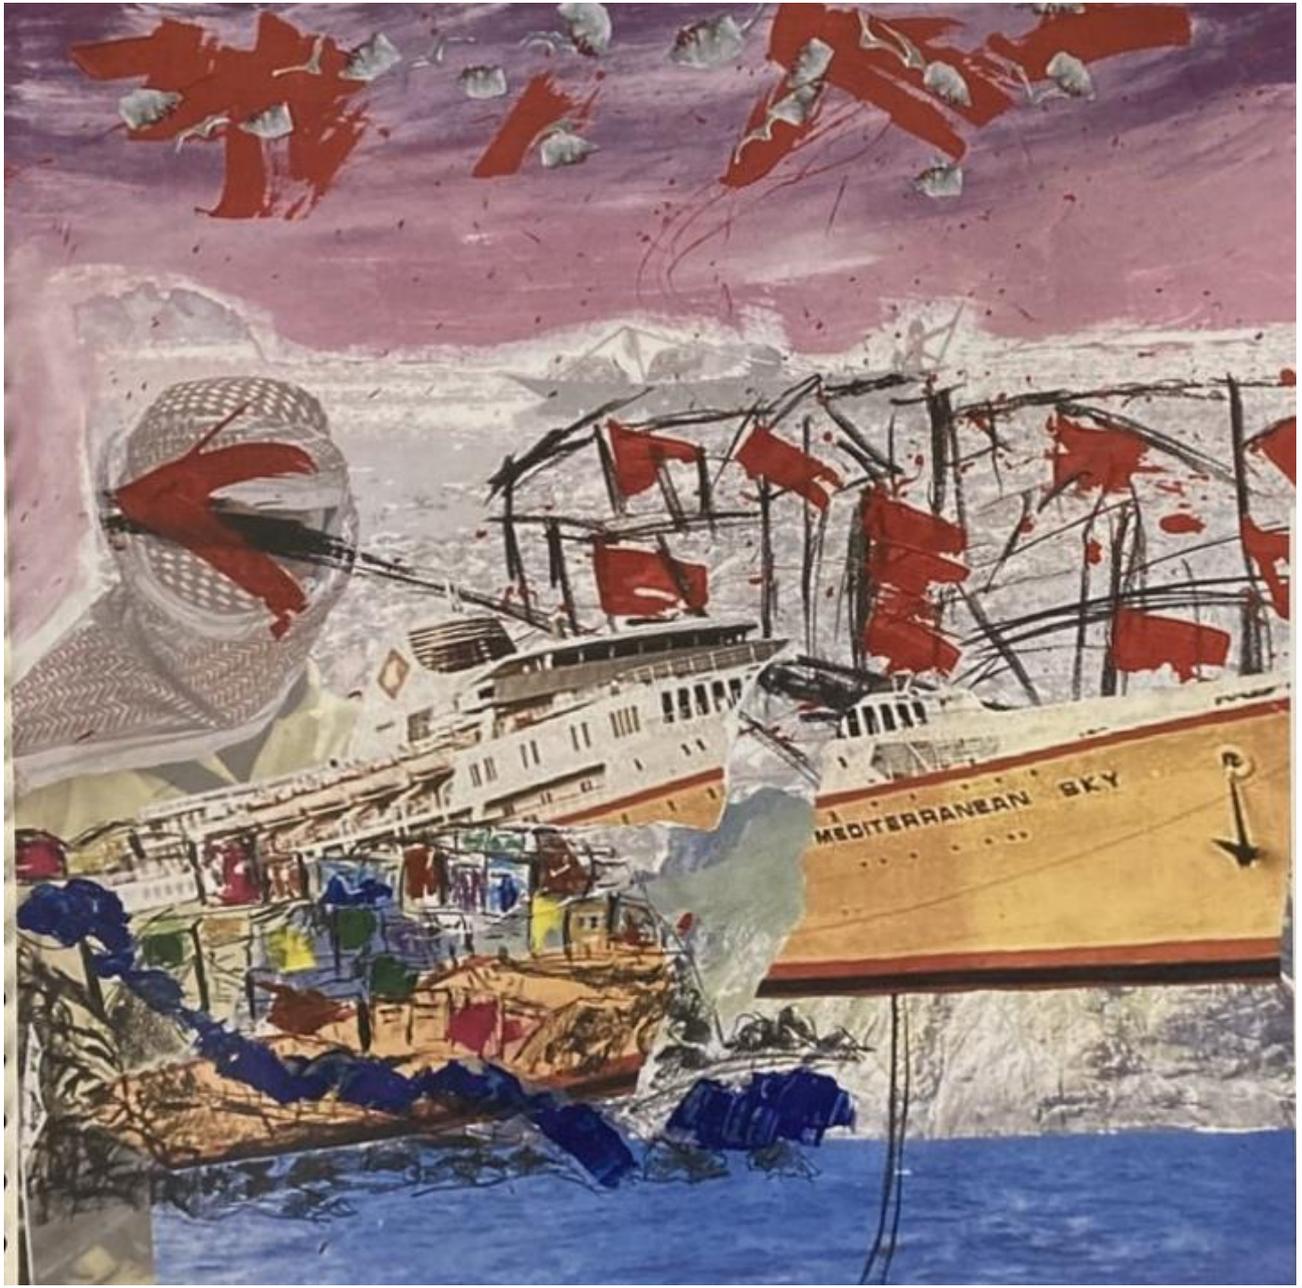

STAFF 2021 – 2022 AND THEIR RESPONSIBILITIES

LEADERSHIP TEAM		
Stuart Smallwood BSc PhD NPQH	[SDS]	Head Master, Geology
Graham Lloyd BA MA	[GL]	Deputy Head Master, Curriculum Director, Staffing, DT
Andy Harmsworth BSc	[MAH]	Assistant Head, Assessment & ICT Director, Timetabler, Geography
Jerry Rogers BSc	[JPR]	Assistant Head, Performance Management & Appraisal, CP Development, i/c Initial Teacher Training, Science
