

**BISHOP WORDSWORTH'S SCHOOL**  
**APPEALS AGAINST THE GOVERNORS' DECISION NOT TO ADMIT YOUR CHILD TO THE**  
**SCHOOL**  
**Explaining the Appeals Procedure**

**1. Making an Appeal**

If your child has been refused a place at the School or been placed on the waiting list, you have the right to appeal against the decision. There are two types of appeal:

**a) "Selective" Appeals**

These take place when the Governors consider that, as a result of the selective procedure, i.e. the entrance examination, and any further review if deemed appropriate, your son did not achieve the "cut off mark" and is deemed not to have the aptitude to cope with grammar school education. You will have been provided with your son's grades and the entry "pass" grade to decide how likely it is that your appeal may succeed.

It is not the job of the Appeals Panel to review your son's examination mark or the quality of his work or the merits or otherwise of the "cut off mark". Rather it is a matter for the Appeals Panel to decide if there were other factors which may have prevented your son from achieving the required grades and quality of work on the day of the entrance exam and if there is evidence to demonstrate that your son is of the required academic standards.

Evidence that you may wish to consider providing to the Panel in such an appeal, may be medical notes, if your son was not well on the day, or an explanation, if applicable, of any family difficulties, bereavements or any other such disruption to your son that may have affected his results or the recent standard of his work. You may be asked to produce documentation in support of any such evidence you present to the Appeals Panel.

In almost all successful "Selective Appeals" you will also have to show the Appeals Panel why your son should be given a place immediately rather than being placed on the waiting list. In this situation you must also follow the procedure for "Resources Appeals".

**b) "Resources" Appeals**

These take place when your son has achieved the grades for entry to the school but rather than being given an immediate place at the school he has been placed on the waiting list you will have been told the position on the waiting list your son is.

The Governors, in these circumstances, consider the school to be full and in their view, to admit any further children "would prejudice the provision of efficient education or the efficient use of resources at the School". The maximum admission in 2023 for year 7 is 160. The maximum admission for Year 8-10 is 160. In deciding the priority of entry to the school the Governors use the following oversubscription criteria in the order of sub-paragraphs a to h below:

a. A 'looked after child' or a 'previously looked after child'. The definitions of these are:

(1) **Looked after Children** – a 'looked after child' is in the care of the Local Authority or being provided with accommodation by a local authority in the exercise of their social services functions (as defined by section 22 of the Children's Act 1989) at the time of making an application to a school.

(2) **Previously Looked After Children** – are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order (adoption and the orders are as defined by the relevant Acts).

b. Boys who, at the time of the test, meet the eligibility criteria to claim for free school meals currently or in any of the previous six years and who therefore qualify for the Pupil Premium Grant. Documentary evidence that the parent is in receipt of the appropriate support payment entitling him to free school meals will be required.

c. Boys whose permanent home is in the School's designated area (map available on the School's website) at the time of application or who have evidence that they will be permanently relocated to live in the designated area. Further clarification/requirements for this criterion are as follows:

(1) In this context, 'permanent home' is defined as the boy's only or main residence and is either owned or leased/rented by the boy's parent(s). Documentary evidence of residence not more than 6 months old may be required, (e.g. the parents' recent utilities bill or tenancy agreement). If leased/rented by the boy's parent(s), then the lease/rental agreement must be for a term of at least 12 months without a break clause. The property owned/rented/leased is to be that in which the boy and his family live.

(2) Where a boy lives with parents with shared responsibility each part of the week (see main body Paragraph 17 for further clarification on shared responsibility), the 'home address' will be considered to be where the boy is registered with his GP (documentary evidence not more than 6 months old may be required) or, otherwise, the 'home address' will be considered to be the address of the person whose name is on the child benefit statement (proof of this may be required).

***NB. Sub paragraphs 1c (3) to c (7) only refer to boys entering at the normal 11+ entry point***

(3) Applicants moving into the designated area after the date of Registration but prior to 13 October 2022 who submit an application on time to their current local authority including Bishop Wordsworth's School as a preference may be considered for these criteria as being at their new address if and only if:

(a) Their previous home has been sold or contracts have been exchanged for sale (dated before 13 October 2022) or, if a tenancy, the tenancy was terminated before 13 October 2022. Appropriate legal documentation will be required as proof;

**or**

(b) For leasing agreements: the new lease must commence before 13 October 2022 and be for a minimum term of 12 months without a break clause. Evidence of the lease will be required supported by a council tax charge notification. Additionally, a previous lease must have been terminated and proof of termination may be required; and the boy became resident at the new home together with his parent(s).

(4) The School must receive the evidence and legal documentation referred to above by 28 February 2023.

(5) Applicants (except for Crown Servants etc., see Sub-paragraph (6) below) who move into the designated area after 13 October 2022, but before the 1 March 2023 (the national offer day), who have made an application on-time to their Local Authority and included Bishop Wordsworth's School as a preference will be considered from the original address on the School Registration Form.

(6) Boys whose parents are UK Service personnel, other Crown servants (including diplomats) and British Council employees who are under notice of posting will be considered as living in the designated area if the applicant would meet the criteria when relocated. Documentary evidence that the applicant meets the criteria will be required: parents must submit proof of future residency or unit postal address in the form of an official government letter (for example MOD, FCO or GCHQ) declaring a relocation date. This evidence must be received by the School by 28 February 2023.

d. Boys who will reside with a brother already at the School at the time of admission (including foster, adopted, step or half-brother or the child of the parent/carer's partner)

e. Boys who at the time at which the application for admission is made, reside with at least one parent or step parent who is a contracted member of staff at Bishop Wordsworth's School and has been so for two or more years.

f. Boys who at the time of the test, have been recorded as qualifying for the Service Premium in their school or who have been a Service Child in any of the previous three years or who are in receipt of a child pension from the Ministry of Defence under the Armed Forces Compensation Scheme (AFCS) and the War Pension Scheme (WPS). Documentary evidence that a parent is or has been a member of the regular armed forces will be required.

g. Other boys who are eligible for a grammar school education.

**N.B. IF YOU ARE APPEALING ON “SELECTIVE” GROUNDS YOU SHOULD ALSO PREPARE TO APPEAL ON THE GROUNDS OF “RESOURCES”.**

Appeals are heard by an independent committee called the Admission Appeals Panel. ### **4 The Decision**

The Panel will make its decision in private after hearing all the evidence. In reaching its decision, the Panel will consider:

- a) All representations made to it by yourself and the Governors
- b) your preference(s) and
- c) the arrangements for the admission of pupils to the School.

The Panel will then decide whether or not:

- a) your child meets the required standard and/or
- b) the School is full and that the admission of your child would prejudice the standard of education at the School or lead to an inefficient use of resources.

The Clerk will contact you after all the appeals have been heard with the decision reached by the panel on your appeal. You will also receive a letter with detailed reasons for the decision and this will usually be within 5 school days after the appeals have been heard.
