

Advanced German

Willkommen!

Required level

This class is designed for students who already have a good understanding of German and would like to further develop their confidence, skills and knowledge.

Aims & working methods

The aim of the course is to consolidate your previous knowledge, extend vocabulary, improve your grammar and increase your fluency. The course will be conducted mainly in the German language.

You will have plenty of opportunities to practise German with other students on a range of contemporary, historical and cultural topics, and other subjects of students' interests.

You will increase your range of vocabulary, idiomatic and colloquial expressions appropriate to the context of the situation and subject. In addition, some reading and writing activities will be used to maximise your confidence and progress.

Students will work through different activities individually or in pairs and will take part in class discussions in a relaxed and confidence building atmosphere. It is suitable for those wanting to learn for fun or for those wanting to progress to the next level. There is no formal testing.

Textbooks

Textbooks are not required to start with. There will be hand-outs.

What to bring to class

You should bring a pen, a notebook and an A4 folder for the hand-outs.

Homework

You will have regular homework involving preparation, grammar or written exercises.

Next Steps

The course runs for a school year with classes taking place over three terms.

On completion of the course, you may feel inspired to continue studying German and join the Advanced Plus course the following year.
