18 June 2021

Dear Parents/Guardians

As you will know we have been operating a later start time for the school day to enable our students to travel in avoiding some of the morning rush where possible. The down side of this has been a shortened lunch break, which makes lunchtime activities problematic.

From September the governors have approved some changes to the school day to enable us to lengthen the lunch break. The most important change is that morning school will start at 09.00; students should therefore be in school no later than 08.55 so that they are in good time for the start of the registration/tutorial/assembly slot at the start of the day. The end of the school day remains unchanged at 15.50.

Yours sincerely

S D Smallwood
Head Master
