

## Intermediate German

**Willkommen!**

### Required level

This class is designed for students who have already studied German for two to three years and would like to further develop their confidence, skills and knowledge.

### Aims & working methods

The aim of the course is to consolidate your previous knowledge, extend your vocabulary, improve your grammar and increase your fluency.

The main focus is on speaking and listening, with some reading and writing activities designed to maximise your confidence and progress.

Students will work through different activities, individually or in pairs and will take part in class discussions in a relaxed, friendly and confidence building atmosphere.

Together, we will explore the German language and students will find this course an excellent way to improve and re-enforce their language skills. It is suitable for those wanting to learn for fun or for those wanting to progress to the next level. There is no formal testing.

### Textbooks

Textbooks are not required to start with. There will be hand-outs.

### What to bring to class

You should bring a pen, a notebook and an A4 folder for the hand-outs.

### Homework

You will have regular homework involving preparation, grammar or written exercises.

### Topic areas

Topics include describing situations and events, expressing opinions and ideas, taking part in discussions, making comparisons, listening and responding to information from a range of sources, understanding the meaning of more complex written material.

Emphasis will be on vocabulary, pronunciation, verbs in different tenses and grammar, and understanding and participating in conversations in everyday situations. You will also increase your confidence by using more German expressions.

### Course Duration

The course runs for a school year with classes taking place over three terms.

### Next Steps

On completion of the course, you may feel inspired to continue studying German and join the next level the following year.
