

SUMMER WORK FOR POLITICS

This is the time to get really 'hooked' on UK Politics. You can do this by committing to reading a **QUALITY** newspaper every day or watching Channel 4 News every night.

Be ready to discuss the controversies surrounding the new prime minister and leader of the Conservative Party. Who have become the key members of the Cabinet? What problems does the new prime minister face eg Brexit, rise of Brexit Party? His own back benchers in Parliament?

Additional work

If you are feeling ambitious and want to do some background reading on the course, try to borrow or buy 'Who governs Britain?' by Anthony King. This will form a good background to many aspects of the course.
