

BISHOP WORDSWORTH'S SCHOOL
INFORMATION LEAFLET FOR
THE SELECTION PROCEDURE FOR ENTRY INTO YEARS 7 - 10
IN THE CURRENT ACADEMIC YEAR 2026/2027
(The Post 11+ Late Entry Examination Procedure)

In this document 'Parent(s)' includes guardian(s) or any person who has parental responsibility for the boy or who has care for him.

The School Admissions Policy must be referred to as indicated below when reading this document. It is on the Website at [Bishop Wordsworth's Church of England Grammar School - Policies](https://www.bishopwordsworths.org.uk) and obtainable if necessary on hard copy from admissions@bishopwordsworths.org.uk

1. The Post 11+ selection procedure is designed to determine by examination whether boys who are already of secondary school age have the academic requirements for admission to a grammar school. Parents should note that achieving the qualifying standard for entry to the school is not a guarantee of an offer of a place.
2. This procedure may also be used to re-assess boys who, under a previous selection procedure (11+ or Late Entry), have been found not to be of grammar school ability.
3. Bishop Wordsworth's School operates a rolling admissions process for Years 7–10. Entrance examinations are only held when a place becomes available. Parents may contact the Admissions Office to request the online application form, which will be provided if a place is available. Once the completed application has been submitted, applicants will be invited to attend the entrance examination. Re-examination for the same academic year is not permitted.
4. Late entry exams for September entry take place in May, all waiting list applicants are invited to take the exam for the next academic year.
5. If a boy achieves the qualifying standard for the exam and has the highest priority under the school's oversubscription criteria, he will be offered a place and is expected to start at the school as soon as possible. If more boys reach the qualifying standard for the exam than there are places available, those boys will be placed on a waiting list, ranked accordingly to the oversubscription.
6. All applications for admission to the school and offers of places into years 7-10 during the current academic year will be coordinated by Wiltshire Council (WC) who are the School's Local Authority (LA).

MAKING AN APPLICATION

7. **Application Forms.** Parents of all boys wanting to apply for a place at the school must complete the following:
 - a. **Bishop Wordsworth's School Application.** Applications must be made using the online application form which should be submitted directly via the school website. A hard copy can be provided by contacting admissions@bishopwordsworths.org.uk. This application provides evidence for the application of the school's oversubscription criteria. When the application has been received, an acknowledgement email will confirm receipt. Parents will be notified the date and time of the exam arrangements approximately one week before the exam. The online application portal is the primary method through

which all communications from the School regarding the application are sent. It is the parent's responsibility to ensure that all sections of the form are completed accurately.

b. **Local Authority Application.** Irrespective of where the boy is resident, must obtain the Wiltshire Council Secondary Application Form (SAF) from County Hall at Trowbridge or apply online at www.wiltshire.gov.uk.

8. **Date of Birth.** If a boy's date of birth falls outside of their normal academic year group and is therefore either under or over age the Admissions Officer may be contacted for advice by email: admissions@bishopwordsworths.org.uk
9. **ECHP.** A boy who achieves the qualifying standard for the School's Post 11 + exam and has a statement of Special Educational Needs, or an Educational Health and Care Plan (EHCP) that names this School, will be made an unconditional offer. This offer will be made irrespective of whether there are places or not and the boy will take precedence over any boys on the waiting list.
10. **Special Access Arrangements.** If a child has a current statement of educational needs, speaks English as an Additional Language or faces any other barrier to learning, whether medical or educational (eg specific learning difficulties), or parents feel their child's circumstances may affect their performance in the exam, they can request that special access arrangements be given to them. Parents must complete the Special Access Arrangements section on the registration application and upload all supporting evidence. This evidence must be less than two years old on the date of the late entry examination. The School will consult with appropriate medical or educational professionals (such as the pupil's Headteacher, SENCo and the LA Educational Psychologist). Parents will be advised of the outcome of that consultation in writing prior to the date of the exam itself, and informed as to whether special access arrangements will be granted. If a child's poor performance in the exam is directly attributed to their special circumstances, and the School has not been informed by the deadline stated on the School's online application form, their circumstances will not be taken into account retrospectively.

DETAILS OF THE SELECTION PROCEDURE

11. Academic ability will be assessed through national curriculum-based exams in English and Mathematics and will be conducted periodically according to requirements. Entry into Year 10 will also include a science paper. The exams are compiled by the Grammar School.
12. Exam papers from previous years **will not** be made available to parents, either before or after the examination.
13. The exams are taken under public exam conditions, and most boys will be affected by nerves at some point in the weeks and days before the exam. Therefore, parents are strongly advised to monitor and limit any activities which might put undue additional pressure on the boy and therefore induce poor exam performance.
14. For security and copyright reasons the exams are sat at this School.
15. The scores attained in each of the exams are standardised to give equal weight to each exam. The standardised scores are then added together to produce a result.

16. A boy whose combined score reaches the qualifying standard will have passed the entrance exam. A boy whose result is below the standardised qualifying standard will not be suited to a grammar school course of education.
17. **Health.** A boy should not sit any of the exams if he is unwell, affected by any personal circumstances that may influence his performance. The school must be informed of any such issues before the exam day if possible but otherwise on the day of the exam.
18. **Illness on Exam Day.** It is assumed by the school that any boy who sits the exam, is deemed fit and well enough to do so. However, any parent who considers that their son's performance might have been adversely affected on the day of the exam must inform the Admissions Officer by email (or write to if preferred) within a week of the exam date giving full information and including a medical note from a GP if he was unwell.
19. **Waiting List.** All boys who have achieved the qualifying standard for the entrance exam will be ranked according to the oversubscription criteria in Annex D of the Admissions Policy. A boy who has achieved the qualifying standard or the entrance exam and applied for a place at the school but who, under the oversubscription criteria, falls outside the planned admission number for the relevant year group will be put on the waiting list. Boys will be placed on the waiting list in their relevant position irrespective of the time of application. Therefore, a boy's position on the waiting list will fall if subsequent additions to the waiting list take higher priority. Should no place be offered within the academic year, applicants are required to apply to sit a paper for entry into the following academic year. This does not affect the right of appeal. Parents will be contacted regarding any change in the boy's position on the waiting list.

ALLOCATION OF PLACES – ADVICE ON COMPLETING THE LOCAL AUTHORITY FORM

20. Grammar schools are normally required to run their selection tests and notify parents of the results before parents make an application to their Local Authority for a secondary school place for their children. Parents who wish to apply for a place at this School must put 'Bishop Wordsworth's School' as one of their preferences on the Local Authority Common/ Secondary Application Form.
21. Note that local authorities are required to operate an equal preference system. This means that a child who is eligible for their first preference school will be offered that school. Therefore, a boy with Bishop Wordsworth's School as a second or third preference, even if they have achieved the qualifying standard for the Post 11+ examination, will not be offered a place here if they are eligible for a school for which they have indicated a higher preference on the Local Authority Common/ Secondary Application Form.
22. Therefore, we advise that Bishop Wordsworth's School is entered as the first preference on the Local Authority Secondary Application Form.
23. Parents should contact their LA if they are unclear about the preference system.

ACCEPTANCE OF A PLACE

24. **Notification.** The LA will notify parents of the school allocation on dates published in the LA's Determined Coordinated Admissions Arrangements.
25. **Deadline for Accepting an Offer.** Parents must confirm to this School that they wish to accept the offer of a place. If a parent does not respond to an offer of a place within two weeks a second offer letter will be sent to give the parent a further opportunity to respond. The second letter will explain that the offer may be withdrawn by the school if

there is no response within one week from receipt of the letter (deemed to be two weekdays after posting date).

26. **Informing Local Authority.** Parents must also confirm to the LA that they wish to accept the offer of a place.
27. **False Information.** Providing false information on a boy's main residence or anything else at the time of application may result in the offer of a place being withdrawn.
28. **Appeals.** If a parent wishes to challenge the outcome of the selection procedure, is dissatisfied by the outcome of the selection procedure, or by the refusal to offer a grammar school place, an appeal can be lodged to an independent appeals committee which will be convened according to current guidance by the Department for Education.
29. **Authority for Admissions.** Bishop Wordsworth's School is an Academy and that therefore overall responsibility for admissions rests with the Governors' Admissions, Property Health & Safety Committee.
